

8 November 1965

MEMORANDUM FOR: Mr. McGeorge Bundy
Special Assistant to the President
for National Security Affairs
The White House

SUBJECT : Atlantic Nuclear Defense

1. I think this is a sound discussion along the lines you requested. I hope it is helpful. It seems to me to come down persuasively on the side of a) taking our time to sort out what is after all the puzzle of puzzles for the future of Europe, and b) developing the NATO Special Committee scheme while reassuring Germany of our friendship bilaterally.

2. I am giving this only very restricted distribution pending your comments.

RAY S. CLINE
Deputy Director for Intelligence
